R(ADM)001-38/2021

11th March 2021

The Additional Chief Secretary to Govt.
Water Resources Department
Karnataka Government Secretariat
306, 3rd Floor, Vikasa Soudha
BENGALURU – 560 001

Sir,

Sub: Admission of Sponsored Candidates to M.Tech Program.
Ref: D.O. letter No.ACIWRM/M.Tech/2020-21/518, dated 01/01/2021

This has reference to your letter dated 1st January 2021, communicating the need of the Government of Karnataka (GoK) to impart higher education to the existing engineers of the Water Resources Department to strengthen its capabilities in addressing the integrated Water Resource Management issues more effectively and in furtherance of this objective requesting the Institute to consider providing 5-10 seats for engineers of WRD for admission to M.Tech Programme under sponsored category in the Department of Civil Engineering with specialization in Water Resources Engineering from the academic year 2021-22 and onwards.

I am to inform that the Institute has considered your request and is pleased to render the required assistance to the GoK in its endeavour to address the integrated water management issues and accordingly decided to provide a maximum of 10 seats every year to M.Tech Program in Civil Engineering with major Water Resources Engineering subject to the following :

1. This Program is open only to the engineers of the Water Resources Department, GoK holding the permanent position atleast for 2 years as on the date on which they are sponsored. Engineers on deputation from other departments / holding temporary or ad-hoc positions are not eligible to apply.
2. The applicants should fulfill educational qualification as applicable to regular students except GATE

3. The eligible engineers can apply against the Institute advertisement as and when it appears in the press / Institute website. The applicant has to fill-in the online application form and also upload the sponsorship certificate.
4. The Government of Karnataka may please identify a coordinating officer in the matter who shall co-ordinate/liason between the Institute and the GoK in the routine matters related to the admission of sponsored engineers.
5. Normally the Institute desires to have a faculty member / senior officer from the sponsoring organisation to serve on the selection committee. The GoK shall depute such an officer when the Institute sends the request to the coordinating officer.
6. The selected candidates should be completely relieved of their duties and responsibilities during the term of their studentship which is 2 years.
7. They will not be provided accommodation on the campus and not paid any scholarship.
8. The selected candidates during their studentship are governed by the policies of the Institute for students applicable from time to time and the decision of the Institute is final in all matters.

4

The advertisement for admission to the academic year 2021-22 starting from 1 August 2021 has already been released in the press and also uploaded on the Institute website. The interested persons may please visit website <https://www.iisc.ac.in> click on → admissions → programmes → PG Course programmes → M.Tech for sponsored candidates and apply. Wide publicity may please be given to this.

The GoK may please sponsor the candidates for the M.Tech. Programme in Civil Engineering with Major Water Resources Engineering on the above terms.

DEPUTY REGISTRAR
